ABOUT RSFI SCHOOL OF INTERIOR DESIGN

RSFI's School of Interior Design is a creative haven where imagination meets functionality. Our comprehensive curriculum blends design theory with hands on experience, equipping students with the skills to excel in the dynamic world of interior design. Led by industry experts, our courses cover space planning, color theory, lighting design, furniture, materials, and more, ensuring a well-rounded education. State of the art tools and practical projects provide real-world insights, fostering creativity and innovation. Whether aspiring designers, decorators, or consultants, students find their niche and develop their craft in a supportive environment. Join RSFI's School of Interior Design and embark on a journey where creativity knows no limits, and spaces come to life beautifully.

OUR MISSION

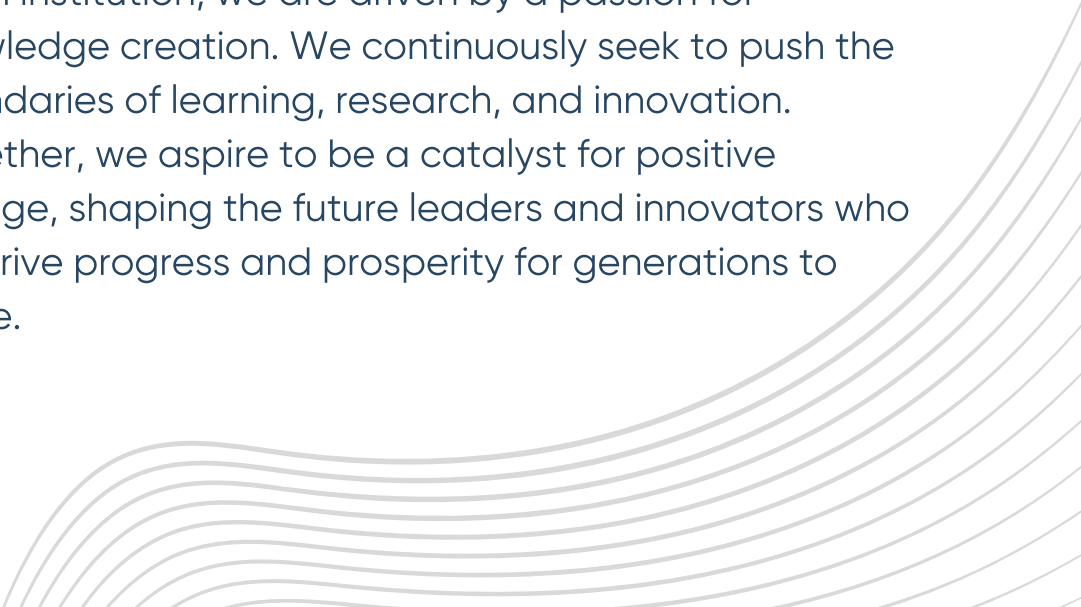

At RSFI, our mission is to cultivate a community of forward-thinking individuals empowered with the knowledge, skills, and values to lead and innovate in a rapidly evolving global landscape. We are dedicated to fostering an environment that nurtures creativity, critical thinking, and ethical leadership.

Central to our mission is the belief that education should go beyond traditional boundaries, inspiring students to explore new ideas, challenge conventions, and pursue excellence in all endeavors. We strive to provide a learning experience that integrates academic rigor with real-world application, equipping our students with the versatility and resilience needed to navigate complex challenges.

Through our commitment to academic excellence, we aim to empower individuals from diverse backgrounds to realize their full potential. Our faculty, comprised of industry experts and seasoned educators, are dedicated to providing mentorship and guidance, ensuring that each student receives personalized support throughout their academic journey.

As an institution, we are driven by a passion for knowledge creation. We continuously seek to push the boundaries of learning, research, and innovation. Together, we aspire to be a catalyst for positive change, shaping the future leaders and innovators who will drive progress and prosperity for generations to come.

Our Industry **Advisor**

Mr. Mukund, originally from New Delhi and now based in Mumbai, discovered his passion for filmmaking early in life. He completed his Mass Communication degree from MBICEM, Indraprastha University, in 2004. He began his career with the 2005 French-German film Valley of Flowers, directed by Pan Nalin. This experience led him to specialize in Production Design, earning him major recognition for Do Dooni Chaar, including two Filmfare Awards and a Star Screen Award.

MESSAGE FROM THE PRESIDENT

Mr. Ravi Sarin

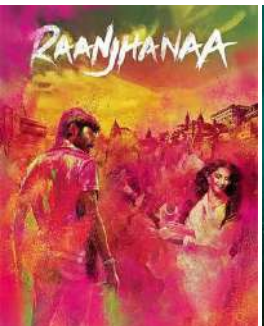

Here at **RSFI**, we passionately embrace the art of interior design, recognizing designers as the creative minds who transform spaces into meaningful experiences. Our Interior Design program is dedicated to nurturing this creativity, offering comprehensive education and practical training to aspiring designers. We understand the importance of real-world exposure, which is why we provide live projects, site visits, workshops, and interactions with industry experts. We believe true learning goes beyond the classroom, and our dynamic approach ensures students gain the skills, confidence, and inspiration needed to succeed in the competitive world of interior design. Whether you're starting your journey or refining your skills, we wish you a future filled with creativity and success.

"RSFI sets the standard for interior design education. With top-notch facilities and strong industry connections, it's the perfect launchpad for aspiring interior designers."

Podcast Studio

The RSFI Podcast Studio, a spacious and state of the art facility located in the heart of Film City Noida, North India's leading media and production hub stands as a testament to creative excellence. We focus on blending hands-on experience with conceptual understanding, ensuring a complete mastery of the dynamic art of podcasting.

The infrastructure plays a crucial role in facilitating hands-on learning and offering students ample exposure to the industry. Our campus is equipped with state of the art practical labs essential for a top notch Interior Designing institute. This includes **fully furnished Design Studios, AutoCAD & 3D Visualization Labs, Material & Furniture Display Areas, Model Making Workshops, and advanced systems for software like SketchUp, 3ds Max, V-Ray, and Lumion.**

Students get practical exposure to space planning, material selection, and real time design execution. Staying abreast of the latest trends in the Interior Design industry, we ensure that our resources contribute to the holistic development of our students.

With cutting edge in house design studios and amenities like digital resources and student communities, RSFI fosters an environment where aspiring interior designers refine their creative skills. Our vibrant campus organizes various exhibitions, design showcases, workshops, and industry interactions, celebrating the art of interior design, architecture, and spatial innovation.

These platforms provide students with opportunities to present their work to industry professionals, gain real world insights, and explore potential career paths within the dynamic field of Interior Designing.

OUR FACULTY

Our distinguished faculty, leaders in their fields, guide students to success with rich experience. They empower with insights, shape professionals, and nurture talent, serving as mentors for impactful careers and meaningful lives.

Canon Workshop

Sharing Experience
and Expertise with
Our Students.

Masterclasses and workshops serve as invaluable platforms for students to acquire firsthand industry exposure, playing a pivotal role in delivering practical training. We consistently engage distinguished and award-winning industry experts to provide essential hands-on knowledge, equipping students for forthcoming opportunities and challenges. This facilitates their readiness for diverse roles and responsibilities within the field.

Students are immersed in the historical and contemporary works from diverse cultures, offering them a chance to grasp various facets of the Cinema industry. These workshops cover a range of integral topics crucial for the comprehensive development of film making students. Throughout these sessions, experts not only demonstrate but also endorse the actual processes and practices intrinsic to the craft. The enthusiastic participation of students is evident as industry experts generously share their knowledge and experiences.

We firmly believe that seminars and masterclasses led by renowned industry figures are effective tools for nurturing academic excellence and providing valuable industry insights. In the digital age, webinars have revolutionized knowledge-sharing, facilitating engaging discussions on ideas, information, and opinions for a global audience.

Our commitment to exposure extends to the organization of numerous seminars and webinars featuring both national and international film making experts and celebrities. This ensures that students gain relevant insights into the diverse spectrum of work, philosophies, ethos, and cultures prevalent in film making globally. These sessions empower students with in-depth knowledge on specific topics, keep them abreast of the latest industry developments, and foster the acquisition of new skills. Furthermore, these events enhance networking opportunities for students, as industry insights and motivation from renowned experts play a crucial role in supporting students on their journey and sustaining their success in the film making industry.
